NOTHING ELSE DOES ME ANY GOOD.

LAWCASTER C. H. S. C., May, 1856.

Dr. C. M. JACKSON, Philadelphia. Dear Sirs.—I have been afflicted with Dyspepsia for a number of years, and until three years since I could find nothing which would afford relief. Fortunately for me, I heard of Dr. Hoofland's German Bitters, and thought I would try them; notwithstanding, with much faith that I should be benefited by their use.

To my surprise, I found that, on taking a few doses, I was relieved of the pain in my side and chest, my appetite became good, my painless strength and in fact felt stronger and in better health than I had for a long time. I do not allow myself to be out of the Bitters if I can obtain them, for nothing else does me any good.

I am willing all the time and ready to state my case to any one who may wish to know the full particulars, and shall willingly recommend them to all who may be afflicted with Dyspepsia or Liver Complaint, for I believe if anything will give them relief, they will be relieved by Hoofland's German Bitters.

Many persons in this district have used the Bitters with beneficial results, and I have no doubt you could get a number of certificates, were you to ask for them, for to my certain knowledge quite a number have been very much benefited by the use of your machine.

I almost forgot to mention that my daughter, about six years of age, was cured of Jaundice by Hoofland's German Bitters. I think best to mention this, as I have never known them used in any other case of the kind.

Common sense rates the mass of the people, whatever the names and nomenclature of physicians, may say to the contrary. Show them a good thing, let me see it, and the wheels in their heads will not fail to turn, and they will not hesitate to give it if their master can't do it.

The masses have already ratified the judgment of a physician, constituting the virtues of HOSTETTER'S BITTERS, as may be seen in the immense quantities of this medicine that are annually sold in every section of the land.

It is now recognized as greatly superior to all other remedies yet devised for diseases of the digestive organs, such as diarrhea, dysentery, dyspepsia, and for the various fevers that arise from derangement of these portions of the system. Hostetter's name is rapidly becoming a household word, from Maine to Texas, from the shores of the Atlantic to the Pacific. Try the article and be satisfied.

Sold by all druggists in the world.
